

**"THE RICH MAN AND LAZARUS"****Introduction**

1. Perhaps the most awesome of Christ's parables
2. Is it a parable – or is it factual?
3. At any rate, it is powerful teaching which we need all to pay attention to.

**1. THIS RICH MAN IS MEANT AS A WARNING TO US**

- 1) At first sight we envy him:
  - (i) he has everything people want: money / clothes / food...
  - (ii) a life free from worry: no care for the poor...  
**APPLICATION**: If we had to choose, we would say that of these two men the rich man is the happy one.
- 2) In today's style: he is the wealthy film-star / pop-star / sportsman:
  - (i) the big house – the big cars – the designer clothes
  - (ii) all for himself – no care for anyone else
  - (iii) no place for God / Bible / church / prayer  
**OBSERVE**: If he read the Bible, he would have attended to the poor man at his gate.
- 3) This is the life people want:
  - (i) the appeal of gambling: "Give your dreams a chance": yacht / holidays abroad / no work.
  - (ii) because, no thought of the life after death

**Lessons**

1. Never envy the godless rich: See Psalm 49
2. God's Common Grace to the wicked is short-lived
3. If you ever get any money, share it with the poor and needy
4. Look at the worldly way of life through the eyes of the Bible: Matt. 6:19; 1 Tim. 6:9-10
5. How much money did the OT prophets have – or the Apostles – or CHRIST?

**2. THIS POOR MAN IS A COMFORT TO US**

- 1) He had very little on earth, yet he was blessed.  
So: "a man's life consisteth not..."  
**Q**. Did he have anything? No – and Yes.
- 2) He had many things to make him feel sad:
  - (i) compelled to beg – a humbling thing
  - (ii) bodily weakness – "was laid"
  - (iii) a wretched state of health: "sores"
  - (iv) hungry: "desiring to be fed..."
  - (v) exposed to misery – "the dogs"  
**APPLICATION**: Could any sight be more pitiable?
- 3) So Christ shows us how different men's conditions are from what they seem:
  - (i) the rich man seemed so happy
  - (ii) the poor man seemed so wretched  
**APPLICATION**: "Call no man happy till he is dead" = only the sequel to life is proof whether men are truly happy or not.

**Lessons**

1. Common Grace is nothing compared to Saving Grace
2. Poverty is not a blessing – but it does us good if it turns us to God:  
**ILLUSTRATION**: J. C. Ryle
3. God often gives his people poverty and suffering in this life to prepare them for the comforts of heaven at last.  
**APPLICATION**: Do you understand this?

**3. THE ONLY LASTING HAPPINESS IS THAT WHICH BELIEVERS HAVE WITH GOD IN HEAVEN**

- 1) See what a massive change comes now to the rich man! What total loss!
- 2) See what massive improvement now comes to the poor man!

- 3) Of course, the rich man's sin was not his wealth; nor the poor man's virtue his poverty. (Explain).
- 4) What makes hell so terrible:
  - (i) the fire
  - (ii) the memory of lost time
  - (iii) the realization of heaven forfeited
  - (iv) the company of those who hate them
  - (v) it is for ever
